### About the Celebrity Chef Tour benefiting the James Beard Foundation

Founded in 1986, the James Beard Foundation is dedicated to celebrating, nurturing, and preserving America's diverse culinary heritage and future. A cookbook author and teacher with an encyclopedic knowledge about food, James Beard, who died in 1985, was a champion of American cuisine. He helped educate and mentor generations of professional chefs and food enthusiasts. Today, the Beard Foundation continues in the same spirit by administering a number of diverse programs that include educational initiatives, food industry awards, scholarships to culinary schools, and publications, and by maintaining the historic James Beard House in New York City's Greenwich Village as a "performance space" for visiting chefs. The Celebrity Chef Tour, which benefits the James Beard Foundation, brings the Beard House experience to cities all over the US, delivering once-in-a-lifetime multi-course dining experiences to food lovers.

The Celebrity Chef Tour showcases the culinary artistry of James Beard Foundation Award winners and celebrity chefs in restaurants, resorts, and other exclusive venues around the country. Like dining at the James Beard House, guests have the rare opportunity to interact with the participating chefs throughout the evening and savor specially designed tasting menus complete with wine and beverage pairings.

Proud sponsors of the Celebrity Chef Tour benefiting the James Beard Foundation include Mercedes-Benz, Stella Artois, and Visa Signature®. Partners include, Fiji Water, Forever Cheese Inc, Hudson Valley Foie Gras, and Wine & Spirits Magazine.
